AHC40310 Certificate IV in Production Horticulture

Why do the course?
The Certificate IV in Production Horticulture gives you the training needed to take the next step in your career in Horticulture. The course is designed to meet the needs of supervisors, or team leaders, in the industry. You will gain higher level technical skills, staff supervision and operational skills for the horticulture industry. This qualification allows individuals to develop post-trade skills and knowledge to become specialists within the production horticulture industry.

Successful candidates will receive national recognition with their AHC40310 Certificate IV in Production Horticulture from NorthEd International College.

Course location and duration
Students will study at our Mildura Campus.
The Duration of the course is 40 Weeks, including 4 weeks holidays.

Recognition of Prior Learning (RPL)
RPL recognises the skills you have gained from other courses such as life and work experiences and training provided in your workplace. The RPL process measures your skills against the outcomes of the course in which you are going to enrol. It also acknowledges that you may already have more than the required level of skills but no formal accreditation of them in some units of the course. This process enables us to identify gaps in your skills and deliver training where required to meet industry standards.

Cost of the course?
Application Fee: $200 AUD (Non Refundable)
Material Fees: $1,000 AUD
Per Semester: $5,500 AUD (2 Semesters)
Total Course Costs $12,200 AUD

Deposit for Course: $1,700 AUD (Non Refundable)
Method of Payment: Direct Debit or Credit Card
AHC40310 Certificate IV in Production Horticulture
