BSB51915 Diploma of Leadership & Management

Why do the course?

A Diploma of Leadership and Management (BSB51915) will give you the tools to thrive in any business environment. The management skills and practical techniques you’ll learn during this diploma will help you lead and support your colleagues, solve problems, and manage projects in any industry.

This qualification could help you change careers or progress in your current field. But most importantly, it will see you become an effective leader — and an asset to any employer.

Successful candidates will receive national recognition with their BSB51915 Diploma of Leadership & Management from NorthEd International College.

Course location and duration

Students will study at our Mildura Campus.
The Duration of the course is 26 Weeks, including 2 weeks holidays.

Recognition of Prior Learning (RPL)

RPL recognises the skills you have gained from other courses such as life and work experiences and training provided in your workplace. The RPL process measures your skills against the outcomes of the course in which you are going to enrol. It also acknowledges that you may already have more than the required level of skills but no formal accreditation of them in some units of the course. This process enables us to identify gaps in your skills and deliver training where required to meet industry standards.
